Messages from Mrs McKinley:

It has been a wonderful start to the new academic year. The children have settled beautifully into their new classes, and we've been blown away by the incredible D&T projects brought in after the summer—thank you for supporting your children with such creativity at home.

We've also listened carefully to parental feedback about providing more clubs. This half term we are pleased to be offering : Relax kids yoga, Gymnastics, British Sign Language, Lego club, Football, Tag rugby and netball giving children a wider range of opportunities to explore their interests and talents.

A special congratulations goes to two of our pupils Ezme and Bailey whose artwork was displayed in the RSBA Gallery over the summer holidays—what a fantastic achievement!

Forest School Opportunity ...

Do you enjoy working with children and don't mind getting a bit muddy in the process? We're looking for someone to help with our **weekly Forest School sessions**, taking place on **Tuesdays or Wednesdays** — a regular commitment that involves supporting our fabulous

Forest School staff and working with the children as they explore nature, build dens, and occasionally come home muddier than they arrived! Sessions run **in all weathers**, so you'll need a good coat and a sense of adventure. If you're passionate about outdoor learning and have some time each week to spare, please get in touch with the school office — we'd love to hear from you!

Operation Encompass is a national scheme that operates jointly between schools and all police forces.

Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience.

Children who experience domestic abuse are recognised as victims of domestic abuse in their own right¹.

We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.

Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident

This information means that we can understand a child's behaviour and support that child in whatever way they may need or want.

We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.
