

Year 6 Enterprise Event

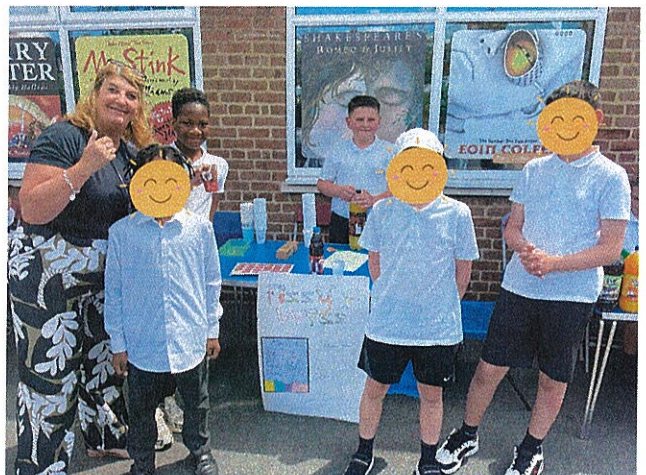

Year 6 were set the exciting challenge of growing £5. They embraced the task by creating their own businesses - complete with unique names, custom logos and handmade products to sell. We were incredibly impressed by their creativity, dedication and entrepreneurial spirit. Thanks to the generous support and donations, the event was a tremendous success, with the children raising an impressive £440 profit. Through this experience, they not only learned the value of money but also the importance of teamwork. They truly are entrepreneurs in the making!

Year 6 Enterprise Event

Mrs Stratford enjoyed purchasing some sweet treats from the Year Six children.
